A woman with dark hair and heavy eye makeup is lying on her back on a light-colored couch. She is wearing a black lace bikini. Her right arm is raised, and her left arm is bent with her hand near her head. A large, dark tattoo is visible on her upper back. She is looking directly at the camera with a slight smile.

# Do the Hustle

The Real Hustle's Jessica Jane Clement has nothing up her sleeve. In fact, she has no sleeves...

**M**ost of us have been warned at one time or another: "If you're in a bad situation, don't mix your money with your emotions." But for Jessica Jane Clement, the two are inseparable. And she's not alone. In a world where emotions are often the driving force behind our decisions, it's no wonder that so many of us find ourselves in bad situations. But what if we could learn to control our emotions? What if we could learn to see the world through a different lens? What if we could learn to see the world through the eyes of a hustler? That's the idea behind the new book, *The Real Hustle*, by Jessica Jane Clement. It's a book that's not just about hustling, but about life. It's a book that's not just about money, but about power. It's a book that's not just about the hustle, but about the heart. It's a book that's not just about the game, but about the player. It's a book that's not just about the hustle, but about the hustle.

You once said, "I don't regret the things I've done, but those I did not do." So, what are your top five things to do before you kick the bucket?

1. Achieve a state of 100 per cent happiness.
2. Have another dog.
3. Live life guilt-free.
4. Always drink plenty of water.
5. Get more tattoos.

Have you ever been tempted to use any of the scams from *The Real Hustle* yourself?

There have been a few times when I've been close to quitting the show to become a real life con woman and never having to work a day in my life again. But I can't tell you what the hustles were or I'd have to kill you!

What cheeky blags can you recommend loaded readers try?

Hustling is bad and you shouldn't do it! Bar bets are fun, but if I'm out I get too drunk and when I try them it all goes wrong and I end up buying everyone else's drinks.

What's the worst reaction you've ever had from someone who's just found out they've been stitched-up?

When the producer arrives to spill the beans, like Jeremy Beadle on *You've Been Framed*, I usually make myself scarce. It's natural for people to be angry – like the guy who found out we'd hacked into his wireless internet to warn him about ID theft – but they soon calm down and see the funny side.

What's the naughtiest thing you've ever gotten away with?

I can't tell you that, I'll get into trouble. I might have done cash machine scams and nicked Xmas presents on the show, but I'm a good girl, really. ■ **loaded**

"But I only have a headache, doc!"

**H**i JJC! Have you enjoyed today's shoot? Yeah, it's all very dark and sexy. There's a nice burlesque feel, which is right up my alley! You've not been in *Nuts* for a while. What have you been up to? I finished filming series nine of *The Real Hustle*, then went to Thailand for a month. You're

hen it's perfect, a woman's bottom can be the most captivating sight on this great planet of ours. The peachy roundness, the slight uplift of the skin as it curves round towards the back of the leg and the soft sheen of the cheeks.

All this provides a spectacle more engrossing than any other. And in an issue of *loaded* full of the nation's best tushes going, our cover star has one of the nicest. The rest of her isn't half bad either. So for your viewing pleasure, we've secured an exclusive presentation of the derriere of former *Playboy* model, accomplished actress and BBC *Real Hustle* presenter, Miss Jessica-Jane Clement. Enjoy.

#### ANY THEORIES ON WHY MEN OBSESS SO MUCH ABOUT WOMEN'S BUMS?

It's evolution. When we were primates we had sex from behind, so a good bum is very attractive for a man. Also, it shows that a woman is healthy and fertile. You can't beat millions of years of development, can you?

#### WE CAN'T ARGUE WITH THAT.

It's the same with breasts, too. They represent the bottom, making them attractive. Think about it, what does a pair of breasts in a low-cut top most resemble?

#### WE'D NEVER THOUGHT OF IT THAT WAY. MAKES SENSE THOUGH.

It's not me being random, it's a scientific fact. I saw it on a TV show.

#### WHAT KIND OF TV SHOW?

A sex education one.

#### OH.

My Sky+ box is full of them. Nothing beats watching naked people. Channel 4 shows them all the time.

#### WE'LL HAVE TO WATCH OUT FOR THAT. MOVING ON, YOU MEET A NEW BOYFRIEND. AND ON THE FOURTH DATE HE ASKS TO MAKE A PLASTER CAST MOULD OF YOUR BUM. WHAT DO YOU DO?

Are you from the north?

#### MIDLANDS. NOTTINGHAM.

I can hear it in your voice. I'm from Sheffield. I miss it, and the cheap drink. In London it's way, way too expensive. I went out last night and I was paying £10 for a shot for sambuca. It was ridiculous.

#### THAT IS RIDICULOUS. BUT IF WE COULD RETURN TO THE PLASTER CAST DILEMMA AT HAND...

Oh yes, sorry. If I could keep it, no problem. It's quite artistic isn't it? Like Patrick Swayze in *Ghost*. It'd be flattering.

#### AND WHAT IF HE WANTED TO KEEP IT FOR HIMSELF. WOULD THAT TROUBLE YOU AT ALL?

If he wanted to keep it, I'd be worried. We might break up and I wouldn't like the idea of him carrying around this mould of my arse. That would be disturbing.

#### EXTREMELY. OK, AT THE POINT OF A POISONED ARROW YOU ARE FORCED TO SWAP YOUR BOTTOM FOR ONE OF THE FOLLOWING: BEYONCÉ'S, KIM KARDASHIAN'S OR THAT HOT LITTLE NUMBER FROM EASTENDERS, DOT COTTON. WHOSE BUM DO YOU CHOOSE AND WHY?

God, none of them. Beyoncé's... I'm sorry but it's just big. I don't find Beyoncé's bum attractive at all to be honest. It's way too big. I guess I'd have Kim Kardashian's. I know it's big, but she carries it well. It'd look pretty ridiculous on me though, wouldn't it?

**"Roses? How did  
you know they  
were my favourite?"**

"I'D DO  
A SEX  
SCENE IN  
A MOVIE!"

The Easter  
Egg hunt didn't  
take long

not allowed to take your top off over there, so I've got a few tan lines! And I've missed you guys so much! I've been keeping up and reading the mag, though! Thanks! Talking of the show, if you weren't so fit, would it be harder to hustle people? A really attractive girl can normally get what she wants, but if you've got

confidence, it doesn't matter. You can get away with a lot!

**As an actress, would you film a sex scene if you were offered a part in a big Hollywood movie?** Not if it was a full-on porno, but if it was subtle, of course I'd do it. I wouldn't let something like a sex scene hold me back. People who won't kiss someone in a film

because they've got a boyfriend are in the wrong job!

**Who's better – Jessica Simpson, Jessica Alba or Jessica Rabbit?** Jessica Rabbit, definitely! She's a sexy motherf\*\*ker! I've actually dressed as her for fancy dress. **Thanks, Jessica! Finally, your boobs seem bigger. Have you had an upgrade?** Yeah, they do

look bigger, don't they? Ha-ha! I guess I had a growth spurt! **What's the best thing about having big boobs?** They make your waist and bum look smaller!

**MORE SEXY  
TV BABES!**

**PROBABLY. ARE YOU SENSITIVE ABOUT YOUR BUM?**

Quite. These are actually the first bum shots I've ever done. When I did *Playboy* it was a side-on view and you couldn't see much, so you've beat them.

**HUGH HEFNER. SIT BACK DOWN.**

And put that in your pipe and smoke it. I often worry that my bum is going to look too big. I'm quite shy about it. If I was ever to have a body double for an acting job, it would be for my bottom.

**DON'T WORRY. IT LOOKS GREAT. BEING SO SENSITIVE, I DON'T SUPPOSE YOU'VE EVER FLASHED YOUR BOTTOM IN PUBLIC?**

No, I'm a boob flasher. You have more control over breasts. You can check everything is in order first and then pop them out. With a bottom, you can never be too sure what is going on down there, so it's best to avoid taking that route.

**AGREED.**

Yeah, you don't want a sheet of toilet paper hanging out. Also, I think it's a bit too sexual. Breasts are fun, but flashing your bum - it's too much like flashing your other private bits. Not for me.

**FAIR ENOUGH. MOVING ON, YOU'RE OFFERED A PART IN A MOVIE WHERE YOUR BUM WILL APPEAR THROUGHOUT WITH THE FACE OF OSAMA BIN LADEN PAINTED ON IT. FOR THIS YOU GET TWO MILLION POUNDS. DO YOU?**

- A) ACCEPT THE ROLE. IT SOUNDS LIKE HIGH CONCEPT ART AND I'M ALWAYS IN FOR A BIT OF THAT.**  
**B) DECLINE RESPECTFULLY. AS THE IMAGE OF THE LEADER OF AL QAEDA AND YOUR BOTTOM IS TOO GREAT AN ARTISTIC LEAP.**  
**C) REPORT EVERYONE INVOLVED TO MI6 AND THE FBI.**

If it was just showing my bottom in a sketch with Bin Laden's face on it I might consider it. But for a whole film? Ha ha. No. I don't really want my bum associated with terrorists; it's not an image I want to portray. I wouldn't report them though - I don't think there would be evil intentions behind the movie.

**FINAL QUESTION. WHAT'S THE MOST PAINFUL THING YOU'VE EVER SAT ON?**

Ha ha. Is that a sexual question? I don't answer sexual questions I'm afraid.

**NO. IT'S AN HONEST ONE. WAS IT A DART? A ROSEBUSH? A MIDGET?**

Oh, OK. It was when I was around four years old. I was bouncing around on the bed and I fell off and landed on a doll's house. It killed. I know it's not that exciting, but it really, really hurt. I don't think I'll ever forget the pain.

**WE SYMPATHIZE. AND THANKS FOR THE INTERVIEW.**

No problem. Just don't make me out to be a terrorist-loving bum flasher, OK?

**WE WON'T. PROMISE. ■ loaded**
